QR Code Link to This Post Well-made, dark grey, Kakadu pet mat, size small.

Useful in all seasons and especially as a crate mat. It measures 18.5" x 24".

All-season design features cooling cotton on one side and cozy Sherpa on the other, making it a comfy alternative to blankets and mats in the crate. It will protect your belongings from pet hair and is more comfy for your pup, than a blanket or towel.

One side is navy, the other is dark grey.

Never used, 100% machine.
