are neutered. He is fawn colored. Toasted marshmallow color is what his fur coat color is best described as. He is your
typical pug. Energetic friendly to everyone and an escape artist. He is very well bred and has gorgeous ice blue eyes
that are mesmerizing. No aggressive at all. He is very handsome and gets all the attention when we are out. Nothing is wrong
with him the only reason why i want to rehome him Thank you. Please message me if
interested. Its sad im rehomeing him cause i do love him hes a good dog but i cant have 2 dogs at my apartment. He is also
very social and loves the dog park. Give me your best offer guys!! Please no rude comments or fake people thank u for your
