QR Code Link to This Post Hello, my name is Jason. I am 49 years old and for more than half of those years I have been painting, doing wood repair, and many other home improvements. Interior, exterior, you name it and I can do it. Any work needed before painting will be taken care of by me also.

Let me help make your home or business as pretty as a picture.

Free estimates (within 20 miles), reasonable prices, references on hand.

I look forward to hearing from you.
