QR Code Link to This Post Kaboom! Do you need a hug? Because I sure could dole a few out. My 50 pound self is just a big ol' mellow teddy bear who wants to cuddle. Or, we can meander around on a leisurely walk together. I'm a low energy lap dog most of the time, but my playful side still likes to show itself. I do need to mention that I prefer to have you all to myself so that we can create a lasting bond in our loving home. Will you be the one who will give me the chance to prove how hard I've worked and how far I've come in my training? With just a little bit of time I can mosey myself right into the bottom of your heart. I have been participating in shelter playgroups with other dogs. So, if you have any doggie friends in your life please be sure to bring them with you and staff will set up a meet to make sure we all get along!
