QR Code Link to This Post I'm a Pro Bassist that is available in December, January, February, and March. I play many styles and offer back-up vocals. Let me know if your band needs a good bass guy to fill in if your current bass man can't make the gig. I am very knowledgeable of classic rock, blues, r&b, old school country, and jazz. I can provide audio and video of my performances. Call, text, or email at the info provided on this.
