QR Code Link to This Post I have a pair of aftermarket mufflers, square tips, and a little pit of over the axle setup available for sale. mufflers had a nice throaty rumble. they're black.

they look like Magnaflow style mufflers, but i don't see any name brands printed on them anywhere.

looking for \$40 for the setup.

located in weymouth.

pickup only.

i also have mustang Heads, valve covers, starter, alternator, distributor, and exhaust manifolds for
