QR Code Link to This Post We rent out several guest-rooms all over Los Angeles. We are looking for a former Hotel Housekeeper to clean our guest-rooms between check-outs and check-ins.

If you don't have experience with cleaning Hotel Rooms, please don't apply!!!

Hotel Housekeepers are different from domestic Housekeepers or Maids. They are trained to be very fast and particular at cleaning rooms and making beds.

You would have to drive to different locations, so you need reliable transportation.

When you respond to this posting, please answer the following questions:

- 1.)Which hotel or motel have you worked at?
- 2.)How long does it take you to clean and prepare a room for the next guest?
- 3.)Are you available daily between 10am and 4pm? If not, which days are you not available?
- 4.)Are you legally allowed to work in the US?
