They received thier first set of shots on Friday 5 in 1. I would like to see your property also, I won't rehouse them if they are going to be locked up in a cage day in day out. They will grow between 60 and 85lbs maybe more, so a backyard would be a plus and good candidate. I would definitely like to keep in touch also just to check up on them the last pictures of the parents. Rehoming fee of
