QR Code Link to This Post I'm a laid back, but serious, photographer available to help someone start or add to a portfolio.

Please be decent looking and in decent shape, over 18, open minded...

I will offer compensation to models, new or experienced, who are open to working on photo arts collages--essentially parts modeling--I am working on. I would be happy driving to you if you have a suitable place to shoot. But I am fine working at my home studio, near Northampton. If you were to drive to me, I would help you with gas.

I am also receptive to capturing themes that you are interested in.

Please describe yourself and send a picture or two when you respond.

Thanks for.
