QR Code Link to This Post I have a need for 2 amateur females model between the ages of 18 and 30, small to medium build, for a semi-erotic photoshoot. We will work out the location that is accommodating for all parties. Models must be over 18 and be very comfortable with full body exposure and with each other. It should take no more than 2 to 4 hours total and you will be compensated \$125 each for photoshoot time. Text or email if you have interest. You will receive copy of all photos in edited form should you want to use them for a portfolio or future gigs. There will be "no distribution" of these photos. This is a trial for me with lighting and two models. . We can discuss everything in detail if you have interest. Thanks for reading and I hope we can work together. I will also note that I am a professional. This is not just some "Hack" type amateur photography. I will give you all of my respective contact and website info at first contact. I will also email you examples of my work that are not on the web.

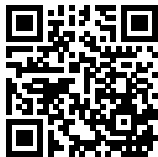

PLEASE NOTE: In your email or text, include the subject line of the ad. Also, this is for a legit portfolio. I'm not some creep trying to get people to send me selfies. If i really wanted that there's this thing called Google. So whoever it is that keeps flagging this, please stop. I am a professional. You will get my website and full contact info at first.
