QR Code Link to This Post Hello, I am looking to find a ride to NYC on the 14th or 15th of December. I have a car so I'm not despitte. I know how much a bus would cost and a train. I'm just looking to see what kind of deals people offer to NYC. It's going to cost me around \$50.00 for gas. Let me know what's out there for prices.
