I will only care for 2-3 children at a time because I want to be able to cuddle with all of them; even as a group. Children crave attention and the more you can give then the more self confidence they gain. I like to play with the children and teach them through hands on experience. So, we will make snacks together, do crafts, sing, dance, learn the alphabet and much more. Our days are full of fun! Depending on the parents and the amount of children; we might even do an outing or two.

I serve healthy meals and snacks and I am CPR & First Aid Certified, I also have over 30 years experience.
