QR Code Link to This Post Our Double Suite is perfect size for 3 offices and a lobby/reception area. We also have some double suites with only two private offices and one open area for three to four desks. Grow your accounting firm in our custom designed office space. The Perfect Small Office concept was specifically designed for small businesses such as accounting firms. CMC Office Center Springdale is located right off I-275 easily accessible from exits Rt 4 or Rt 747. We are minutes away from Tri-County Mall, restaurants, and other retail providers. Companies can lease only the space they need today and grow as their business grows. We minimize risk for small business owners by offering a one-page month-to-month lease. Each of six strategically located office centers host regular networking events and collectively house over 1,000 growing businesses. We have professional on-site management and maintenance, thereby offering more value for less money.
