Aloha Pet Owner,

Our first love has always been animals.

We have been pet sitting for over 15 years.

In addition to our one on one service and dependability -- I also offer the one-and-only

established client all you have to do is give us 72 hours notice and we GUARANTEE we will make room

for you in the schedule. No matter what. You will never have to worry about planning, holidays,vacations

or working late again!

Just because you're busy doesn't mean your dog has to be alone. We are devoted

to providing the best possible service.

We will walk your dog or dog(s) on a walk.

Report on the time you spend dog sitting so you can see how on an hourly basis miss while at work

Unlike kennels- where animals may be confined to cages and exposed to potential health risks-private

boarding gives your pet full run of a pet-friendly home plus plenty of TLC. Your pet will be showered

with attention. You will even receive daily updates on your pet's status via text messaging!

Please give us a call or text anytime!

Warmest Aloha,
