QR Code Link to This Post I'm looking for an affordable babysitter to take care of two children, a boy age 8 and a girl age 4 while I run errands, go to appointments or date nights. Babysitter will babysit at my home.

I need someone reliable, preferably that speaks both English and Spanish.

My kids are very active and like sports, playing games, and watching movies. Because of this, I have a closet full of board games and a rack of children's movies for you to use.

Looking for someone that loves doing arts and crafts, watching movies and playing games.

I don't require any housekeeping but please pick up after the kids.

If interested send me an email or text. I'm hoping the person can start ASAP.
