QR Code Link to This Post Hi!

My name is AJ and I have been tasked with gathering talent for an upcoming project with a local community college. We have 10-12 spots available right now. They are redoing their student catalogues and website and need college-aged females to participate in photoshoots for those materials. The shots will be a combination of posed and staged-but-candid shots both outside on campus and in some of the classroom buildings. Wardrobe will be provided along with all props (backpacks, books, etc.). Looking for a 4 hour commitment in one of the following time slots:

- 1) January 21: 8a-12p
- 2) January 21, 1p-5p
- 3) January 28, 8a-12p
- 4) January 28, 1p-5p

Previous modeling experience is not required. If interested, please reply with the following:

- 1) Your name and age
- 2) Your height, weight, and measurements (if known)
- 3) Your rank-ordered preference of time availability
- 4) At least 2 photos at least one of your face, and at least one full-length photo. Need not be professional shots.

Thank you and I look forward to hearing from!
