QR Code Link to This Post Hello,

Here it is, coming to Boston for work on my Birthday, instead of heading home for my Birthday, I thought I spend it with a nice, normal, fun sexy female.

Looking for a sexy, in shape, college or grad student. I want my 30th to be a night to remember. Not looking for a pro. If you want to do something different, enjoy a hotel suite, room service and king bed let me know.

SL: Happy
