I am looking for someone to rake my back and front yard. Front yard is small, back yard is medium sized. We have a rake if you need it. \$300 for the job--hoping someone can come by this afternoon between 2-5 or tomorrow anytime.

In need of someone handy that can repair and cleanup needed and replace shower tile. Approximately 15 tiles need to be put back into place and sealed/grouted. I have the tiles that are to be put back into place. Should be a quick job for those that know how. I would like someone to take a look, provide estimate, and finish within next 1.
