QR Code Link to This Post It can cost in the 5 figure range to convert your pet into a service dog who could travel with you anywhere LEGALLY and 100% free: everywhere you go in public from stores to restaurants, etc. But this girl dog trainer charges you nothing. Only room and board exchange!

Recently this private service dog trainer started LIVING IN the homes with the family / person who owns the dog and she trains the dog in house, usually in about 3 months. This girl (photographed attached) has professional credentials to train nearly ANY creature into a verified, credentialed service animal, complete with service dog vest and all paperwork.

If you are interested in welcoming her into your home for a 3 month COMPLIMENTARY stay (including food) she will happily turn your animal into a service animal!
