QR Code Link to This Post I am going abroad at the end of December and need someone to rent my room starting January 1st through the month of May, with the option to extend the lease after May if you wish. Females preferred. You will be living with a great roommate in an awesome apartment that's only 4 short blocks from Tulane and Loyola Universities and the Freret St. corridor. You will split the rent with her and be responsible to her for collection. (your portion: \$557 - includes water, but not Entergy or internet service)

Great location and good for anyone, but this place especially good as a student apartment because of the convenience.

All furniture in the photographs will be gone, so furnishings such as bed/sofa/table/chairs/etc. must be provided by you. Microwave included with apartment.

Please text or email for showings/additional!
