Deck Out Your Deck

When it's time to enjoy the outdoors after a long winter season, many people do the natural thing dust off and clean their outdoor furniture, clean up the barbecue and sweep up the deck. But that shouldn't be the end of it.

Your deck is vulnerable to the outdoor elements, so maintenance and repairs can go a long way in preserving it for the long term. Whether you're looking to have a deck built or have your existing one repaired, you can trust We are to deliver quality workmanship and superior customer service.

Customers Call on Us for Deck Work

Here is just a partial list of the services our deck specialists provide:

- Planning and design
- Ledger boards and installation of required posts
- Frames built to local building codes
- Installation of pressure treated redwood or composite decking/railing
- Deck staining
- Repair of stair stringers and baluster replacement
- Hand rail maintenance and joist reinforcement
- Replacement of planking, treads and posts

All of our work is guaranteed from experienced workers who walk you through the process every step of the way for a simple, smooth experience. You'll know when the

job is going to start, what time the crew will arrive and when the job will be completed. And we even go the extra mile to make sure you have all the required regional building permits.

Call us schedule an appointment today. At MarÃa Elena LÃ³pez or send a text messages at or e-mail to MarÃa Elena LÃ³pez with your information your name address and phone number.

Drywall Done Right

Drywall usually isn't noticeable in one's house unless it's done wrong. That's why it's important to hire a professional handyman you can trust. We are your resource for reliable drywall installation, patch and replacement. Whether you want to replace a damaged area or start fresh with matching texture, all of our work is guaranteed from experienced workers.

Unlike other contractors who provide little to no project management expertise, we are full-service experience that will keep you informed every step of the way. When you go with us, you'll have confidence knowing that your project is going to be done on time and to your satisfaction.

We make it easy by giving you a thorough overview of what to expect. You'll know when the job is going to start, what time the crew will arrive and when the job will be completed.
