

QR Code Link to This Post Looking for someone who has some time, is "experienced" and willing to practice once a week.
We would like to play out once a month eventually.
three of us have about 20 songs at the ready.
we are in our early 50's late 40's.
we do a wide variety but prefer "hard" rock and want to be diverse.
*if you are interested and would like to see a list you can text me.
