QR Code Link to This Post Today December 1st, High today 78°. Winter snowbird wanted in Texas!!!!!! Available January 10th until May. This unit is 480 square feet whereas a typical hotel room is 350 square feet.

PLEASE CONSIDER RENTING FROM A ONE CONDO OWNER!!!!!! Also bay fronts have a much better view than a bay view. This unit is one of only 6 units of its kind (top floor, end unit). Winter snowbird!

This is a beachfront condo that is right on the beach in Corpus Christi Bay. We are protected against dangerous rip currents and bigger waves. This beach is safer as driving is not permitted on the beach.

THE \$1600 RATE IS THE TOTAL monthly COST to keep it simple. No need to add 15% hotel TAX nor any CLEANING FEES. There is a 30.00 one time check in fee per stay however. Multi month discount available.

This is my only unit. I live in 10 minutes away.

Please check both calendars before inquiry!
