Cambridge And Arlington Saturday Night Fun is a newly forming Social club for all ages in the Cambridge and Arlington area and beyond. We are creating a network of people to get together monthly for casual, fun filled parties .

Our kickoff event is a Holiday Celebration with food, an open music jam session and socializing.

We are looking for musicians who want to get together, have an open music jam and have dinner with us. We have 2 cozy rooms of a church with a 2 input portable sound system. We need guitars, flutes, percussion, violin, etc. If you want to plug in an electric or acoustic guitar, or small keyboard, you may do so. We have one microphone input and one guitar/keyboard . More of a jam session than an open mic or performance.

Location: Saint John's Episcopal Church, 74 Pleasant Street Arlington, MA (Rear Entrance on Lombard Road on Left Side of Church-We are in the Memorial Room on the 2nd floor)

Date: December 16th 7PM-9:30PM

Donation: \$10 (Includes dinner)
