QR Code Link to This Post I am in need of some help for Christmas. This last year has been a struggle for my family. We've had several family member pass away, my father got sick and my mother lost her job. My 10yr old daughter and I moved to a new state to try and help but my job doesn't pay enough to keep us afloat. I've taken on 2 more jobs but all of my wages goes toward rent and bills. Where Christmas is concerned, it looks like Santa might have to miss our house completely. My daughter has an elf on the shelf named Johanna, and she usually comes right after Thanksgiving. I'm considering having a letter written saying that she won't be coming this year.

I'd hate for my daughter to have nothing to open on Christmas but at the moment presents are a luxury we just can't afford. If you can find it in you heart to help out even a little, I'd be so grateful. My daughter is into Ever After High, Lego Friends, Board Games, 3D Puzzles, Shopkins, Project MC2 and the Dork Diary books. I don't really care if myself or my mom doesn't have anything under the tree, my main concern is for my daughter.

Thank you for taking the time to read this, and may you and your family have the happiest of.
