QR Code Link to This Post have been in the hospital since November 27th and I get out tomorrow and just found out that I have nowhere to go and will be homeless due to unforeseen circumstances Beyond My Control I am looking to rent a room for myself my husband/caregiver and two service dogs I am a quadriplegic and in a wheelchair I can afford \$600 a month starting on January 1st unfortunately I do not have any money to give right now but we'll be able to make up on January and February. I am completely wheelchair-bound and cannot walk at all I am also a graduate student. We keep to ourselves and do not drink or do drugs. Mostly we watch football and play with the dogs. We are good people that have fallen into bad times and in desperate need of a kind hearted person willing to open their heart and home to us. Location of residence is not all that.
