Our long term project calls for a beautiful soul - she's creative, realistic, more humane, and simple in nature and appearance with simple dreams to fulfill. She is a beautiful soul living through experiences. She enjoys living responsibly and openly. She is a composite of energy beautifully wrapped in this human form. She is a wave that is part of the ocean. She is the choice-maker.

You'll be helping our small passionate team with communications, promotions and the national research needed to launch our travel for a cause program that will help the world in many ways and causes. Everything from self-discovery, anti-trafficking, environmental and social initiatives to cultural and community events!

This is a diverse hands-on experience, because you will not only get to travel domestically meeting the coolest people ever, share stories, learn deep life skills (not taught in school) but also have the opportunity based on your interests to express yourself about whatever positive change you want to see in the world while making a lasting difference in the life of others and your own!

Our ideal candidate is taking time off school /graduating high school early, has a love for all things creative, enjoys working as part of a close-knit team and is genuinely excited about making new ideas come to life! All basic needs plus stipend are provided /sponsored - just pack a bag of clothes, toothbrush, and you're in!

Here are the ups...Â Before anything, you must demonstrate commitment, selflessness and the ability to communicate effectively by helping others pursuing their gap-year after high school journey to have the best experiences ever, even if you may have missed your chance (remember there are a lot of teenage applicants with positive visions who are homeless and not everyone has a family they can or want to spend the holidays with)!

<p>1) you are interested in growing with other amazing people, please connect with the team!</p> <p>2) A bit about yourself, age, what's positive about you, what you want to contribute to the world.</p> <p>2) Links to your social media profiles or something that helps us get to know you better.</p> <p>3) Your name, phone number (we will call if we have an interest!)</p> <p>4) Your availability for the challenge (open to 30 day or 60 day)</p> <p>Be sure to put in title: "I want to use my creativity to make a difference!"</p> <p>Talent for change hide this posting</p> <p>https://www.genclassifieds.com/x-776217-z</p>	<p>Talent for change hide this posting unhide</p> <p>https://www.genclassifieds.com/x-776217-z</p>
