I often use models in my photography work and occasionally provide contacts to clients for specific modeling jobs.

In this case, I have a client who produces massage instructional videos and is looking for a couple of additional models. No experience necessary, you get a massage and you get paid for it. No nudity, you will wear swimwear during the massage. Although that isn't normal during a massage, it makes the video better suited to its purpose.

\$125 for about an hour and a half of work, if you call getting a massage work.

To apply, submit photos in swimwear. Front and back. Describe any tattoos or birth marks and provide photos of.
