QR Code Link to This Post I am an experienced, dedicated and energetic Choral Director of international prestige with outstanding communication skills. From 2012, I live in Miami, FL.

Awarded composer, arranger, successful voice, piano and music educator and singer, with strong background, I have more than 30 years of experience conducting traditional, religious, classical, contemporary, Latin-American and world music, working with professional and community adult women, men and mixed, children and youth choirs and vocal groups in classic and popular repertoire, A Cappella and Choral - Symphonic works in USA as well as South America, & Europe with experience in top artistic and management positions in one of the most famous educational musical systems in the world

I am a real Choral Conductor with a Master in Chamber choirs as well as in Choir Voice Education.

(Yes, Choral Conduction is a real musical specialty!).

So, if your are looking an organist / pianist that "also" conducts choir, as most people do I am not the person for that.

But if you arte looking for a real Choir Conductor to do a real, great, beautiful, energetic, encouraging enjoyable enthusiastic and passionate work, we'll manage with the piano / organ / band / and of course the budget, do not worry so much about it.

I like above all to work with community choirs specially those who want to progress towards being a choir of the best quality possible, making compositions and arrangements specially created, and adapted to maximize the choir's possibilities.

I will gladly provide references, resume, web page, Facebook professional page, You Tube, etc. upon request, once you kindly provide your email and / or phone, as I am doing in this add. (Not CL mail relay, please).

Screening and Background Clearance Level 2 of Miami Dade County Public Schools.
