Do you have a few rooms that you need to get cleared out and cleaned up? Is your kitchen in need of an overhaul so that you can easily prepare family dinners? Do you need your garage cleared out so that you can park in there?

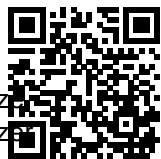

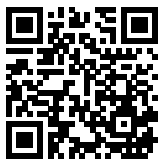

I am a skilled organizer that can help put you back on track. I have been working with individuals in the Kansas City area for over five years now. My work centers around returning homes to an enjoyable place to be. I can help with clutter, organization, and simple cleaning. I am very efficient at what I do, and can get your house together faster than you think!!

I am dependable, discreet, and non-judgemental. I love what I do and I look forward to helping people gain a fresh start. I have excellent references that I can provide upon request.

You can give me a list and put me to work, or you can work alongside me and we can clean-up together.

My rates are \$30/hour. (There is a four hour minimum.) I provide basic cleaning supplies, but I ask that you provide the vacuum and broom.

If you have any questions feel free to message me. I look forward to working with each and every one of you!
