QR Code Link to This Post Thursday night 12/7 there was a cat crying and meowing under cars at Willy McCoys in Chaska off of Highway 41 and Pioneer Trail area.

After trying to trap it Thursday night Friday night we were finally successful on Saturday night!

The cat is Young and say maybe 5 to 6 months old and a real sweetheart a real cuddler. No microchip, has all claws!

We do not know if it's a male or female but it seems to be about 5 to 6 months old and definitely a brown tabby. That will be determined this week.

I am so glad that this cat is out of the cold weather. The cat was very hungry.

I have attached many pictures!

Please let me know if you are missing a young tabby cat
I hope we can reunite this cat successfully with his or her family.

Thanks Linda / lost cat
