QR Code Link to This Post My mom can no longer take care of the two guinea pigs she bought for the grandchildren but kids do not come over as much to give them the time or live they need. 1 is spotted her name us butter cup very sweet and calm. The second one they call her red eyes because she is tan with red eyes she is a talker at times sweet and jumpy.

Very good with children they come with cage and food and toys.

Want them to go to a great home they deserve it.

100 for the both plus food, cage and toys email or
