QR Code Link to This Post Looking for a personable, articulate, enthusiastic individual to help mostly in the office in trade for a place to stay. We need someone with good customer service skills in person and over the phone. Should be a person with decent computer skills who pays good attention to detail and cares about their work. Must also have a current driver's license.

The work would be 21 hours per week in exchange for a private room (convenient location in Lihue) including utilities, with use of a common kitchen and bathroom. The room is conveniently located near where the work would be performed.

Can't have any pets or smoke on property and absolutely no drugs or excessive drinking is allowed.

Please reply with a contact phone number and some information about yourself and why this is a good fit for your abilities. We will be posting this for a short time before interviewing, so only need to respond once.
