QR Code Link to This Post I need someone with good arms (male or female) who can brush on my self-cleaning solution to a vinyl fence. My brother and I did this side earlier this year and now I need to finish the other side. He has a bad back so I need someone to work for about 4 hours. No scrubbing involved, just brush on.  
Cash- \$20 per hour: should take about 4 hours to do it.
