QR Code Link to This Post With almost 3 1/2 years' experience, I give relaxing massage to men. I'M MALE, with the strength and endurance for hour-and-a-half massage. I'm friendly, enjoy giving massage, and work happily on all the body's major muscles.

I come to you (only), in your home or hotel. I give massage often in the hotels on Canal Blvd and Poydras Street, and in the French Quarter and the Central Business District (CBD). New Orleans, Slidell, Hammond, and Baton Rouge are all in my service area.

I give massage to men of every age (18+), race, weight, and orientation ("bi," "gay," and "straight"). I encourage heavy men to ask me for service, as well as men seeking massage for the first time or feeling doubtful for any reason. If you've had a disappointing massage sometime, enjoy mine instead.

My fees are low, and I offer discounts to full-time undergraduate and graduate college men.

I'm available from early afternoon through late evening, usually seven days a week. Planning helps to ensure I have the opportunity to serve you, but requests on short notice are good, too.

Please reply by text or email for more information or photos. (Since I serve in a wide area, please mention the city you're in.) Usually, I must let calls go to voicemail, so if you call, please leave me a clear message.

I'm looking forward to giving you a wonderfully relaxing.
