QR Code Link to This Post Property management company is looking for a 1099 handyman. Our company has grown and workload has grown past our current team of contractors.

The plan was to have interviews this week(still will happen) but we have an "emergency" that needs resolved tomorrow.

Tub(or drain) is leaking above kitchen. Leak is pretty decent causing some drywall to fall. It's believed that drains are not PVC. Tomorrow would be a "working interview".

Let me know if you have experience with old plumbing and.
