QR Code Link to This Post Vets In Houses helps homeless vets get off the street and into houses we are looking for contractors to help handle our volume of house rehabs and repairs for our investor in Indiana. We currently have 35 properties that are in need of rehab, our investors have 200 more behind that. We give pref to Vets but all contractors are needed ASAP - Work to fill your pipeline immediately.

Qualified contractors must be able to complete work based on the scope of assignments- Demo, plumbing, carpentry work (interior/exterior), drywall, flooring (tile), painting and everything else required to complete a full rehab. Qualified contractors must be able to provide quality workmanship in a timely manner at a competitive price.

This is a great opportunity for the contractor looking for more work than they can handle!!!

We need crew leaders with their own crews in place and crew leaders that can lead and build a team with good people.

PLEASE BE SURE to include your PHONE NUMBER and EMAIL ADDRESS when you.
