QR Code Link to This Post Jules is a very pretty Russian Blue Mix. She is shy but in time is a really good cat. She loves pets and belly rubs. She is not real happy with other cats but will put up with them. Also she must have had some bad times with kids when she was younger as she does not trust them. She would do good with a couple as a companion. She is very smart. She will tell you when she needs her litter box changed, and food or water. She is fully vetted and is waiting for her forever home. Could this be your companion? If you would like to adopt her please contact me of St. Sophia's forgotten felines
