

Pottery Barn Coffee Table (400 USD)

Location

Florida

<https://www.genclassifieds.com/x-776722-z>

QR Code Link to This Post Gorgeous reclaimed wood coffee table from Pottery Barn. Because the wood is reclaimed, the colors vary and there are grooves and nicks, but it is smooth to the touch. Versatile piece. Perfect for a more rustic style home. Only getting rid of because I'm redecorating. Refer to link for full item details such as dimension. Normally \$899 when buying brand new.

Cash only and must pick up.

Thank you!
