QR Code Link to This Post EXTRA LARGE You & Me brand dog crate, 40 x 27 x 30," used once for a flight to STL. Solid and tough, plastic design including plastic door & window grating that won't rust. Knobs on fasteners that clamp the two halves together are knurled so they can be worked by hand, no tools needed (and a bag with 8 extras.)

Now that I no longer need it, I'm moving this for a fraction of the price and throwing in these extras:

- Entire 10-pack of wee pads, required by TSA. Put two down for the trip, came out clean and dry. 9.99 value
- Lixit water bottle. Didn't leak a drop. 11.99 value
- 19 x 26 x 1.5" dense foam pad. Free to me, priceless to him!

I won't give it away but I am motivated to sell. Possible delivery.
