QR Code Link to This Post Looking for individuals (male or female) to interview for my book. Names will be anonymous in the book. I'm a doctoral student currently studying human behavior.

Individuals must have pursued new hobbies recently or in the recent past (biking, exercise, sports, knitting, photography, etc.) It can be really any type of hobbies. I'm looking for individuals to talk about their life, what their hobbies are, what new hobbies they have pursued, what did they purchase (material items) for these new hobbies or past hobbies, how have they mastered or not mastered these hobbies, what made them give up a hobby, what caused them to try something new/ try a new hobby, etc.

I'm looking for individuals who have maybe tried a ton of different things in their life, but never mastered those hobbies/ things. I'd like to talk about your experiences.

I would like to meet at a local Starbucks and I will buy you coffee and a pastry and we can meet for an hour or so. Anywhere in Lake County or McHenry County.

This is your opportunity to get free breakfast/ lunch and tell someone about your life. I will be asking specific questions but I'll keep the discussion open for you to talk.

Please email me if you are interested, what recent hobbies you have pursued and where you are located so we can meet.

THANKS!
