QR Code Link to This Post Hello! Hiring upscale, classy bodywork artists.

This upscale, professional Sensual Tantra Based Bodywork Studio is Independently operated by a small team of Women who are each experienced in sensual arts and have professionally run massage offices for over twenty years. We have a large, upscale clientele in Chicago. We are hiring upscale, elite, beautiful, well groomed, well spoken and healthy women to provide sensual bodywork. If you have some experience providing one on one sensual massage sessions, that is great- we will still train you to offer highly enlightening sessions that our collective is known for. If you have no experience- we will train you to be confident and comfortable in being a provider of sensual therapeutic touch.

We offer a safe, clean, well run, respectful environment for you to earn extra income and to feel you are being of service to helping people explore their sensual selves through your sessions.

If you are interested in working with us please send an email with your history and experience along with a photo. You are welcome to share anything else you want to tell us about you! All ages and types considered, most important qualities are an ability to give healing and enlightening touch, and a wish to help people through creating deeper sensual aliveness. You must be responsible, reliable and motivated to make money, and committed to being the epitome of a glamorous, classy lady. I will contact you if I think we are a match, and ask to talk on phone and then meet in person.

Hiring is ongoing, if all works out, positions can be long term, part time or full time.
