QR Code Link to This Post Offering a very nice pair of Red Wing Pecos pull-on Wellington style boots. They are size men's size 6 or women's size 7.5, medium width. They 13 inches high from the floor and are NOT steel toe. The reason I am selling the boots is that I bought them for my wife to use while riding our motorcycle. However, she has developed some joint problems and can no longer ride the bike. She only wore them a few times and they are in very good to excellent condition. As you can tell by the pictures, the soles show very little wear at all. They have a couple of minor scuffs which can be easily polished out. These boots would be great for work, motorcycle riding and other outdoor activities. They are not insulated, so would not be good for cold weather. However, they are Red Wings, made in the good old USA and built to last.

Boots like these are selling for \$60 and up on eBay in this condition. We really like these boots and would like to keep them, but since my wife cannot ride any more and doesn't do outdoor activities, someone is going to get a nice pair of boots for a very reasonable price. New these boots sell for \$350 new on the Red Wing site. We will sell these for a fraction of that price. I am asking \$55 and will consider offers. I accept cash, money order, bank draft or cashiers check or PayPal. I will ship, but will need to add the shipping cost to the price.
