QR Code Link to This Post I am 19 years old and a student at the University of Maine at Orono studying Communication Sciences and Disorders with a minor in Education. I am very passionate about working with children! I will be in the Cumberland area during my winter break and I am hoping to pick up some babysitting gigs anytime between December 18th and January 22nd. I have previous babysitting experience and come from a big family with lots of experience caring for younger siblings, cousins, etc. I can handle household tasks if needed. I have a very flexible schedule and am a reliable babysitting option! Please reply to this ad if you are interested! Prices are.
