I'm at stay at home Mom to a 2 year old little girl and I have a 6 year old son who's in kindergarten during the day. I'm looking to provide care for another little one! We would love someone to come and play with us during the day. We can also come and pick up your child and bring them home at the end of the day if that's easier for you. Our days are filled with arts and crafts, books, singing songs, and trips to the library and park. We have a huge playroom just for the kids and we live on 5 acres so plenty of space to play outside. I have provided childcare for other families and can provide references as needed and I'm a former CNA. If this is something you're looking for I would love to meet!
