I've worked with many furniture moving companies repairing and refinishing furniture for them also for many big furniture selling companies

That has been my job for twenty years so I am highly skilled in furniture repair and refinishing

I've repaired hundreds of furniture pieces..everything from wood dining tables, coffee tables, chairs, doors, kitchen/bathroom cabinets, vintage/antique furniture, stools, bedroom sets, pantry shelves and many more!

Dents, scratches, stains, broken, loose or chipped parts can be repaired

Also if you need the paint or stain restored as new

I can also stain or paint them a different shade for you

For quotes I will need to go out and see the furniture piece in person

Must be (Wood) furniture only*

On site repairs* Also can bring it back with me and repair at home then deliver it to you once done for a small delivery fee*

For any questions or inquiries please contact my daughter Giselle at as she handles my appointments for me
