Tough, gritty & shows up to work every day!

"Ivy" is foundation bred, comes with a huge work ethic & enough bone to handle the big country!

This pretty mare is thick made, good-minded & super gentle to be around. She is quick-footed, watches a cow & is as sure-footed as they come in the mountains. "Ivy" has a reining foundation but would be happiest outside on the job. She has been used on the ranch, pushed steers at local ropings, and has been LIGHTLY started heeling the roping donkey.

No buck, bite, rear, kick, etc. Stays honest with time off.

Consigned in Vaughn, MT - \$3800
