QR Code Link to This Post Are you searching for a new pet for your children this christmas? I have a long haired male guinea pig that I am giving away to a good home. I'm asking only \$15 to ensure he will not be bought for snake food and will have a loving family. He comes with a small cage and water bottle. He is very friendly, enjoys eating vegetables from your hand. Unfortunately I am moving to an apartment and he cannot come with me. He is 1y 6mo.
