QR Code Link to This Post In need to REHOME 2 beautiful dogs. A boy 3 years old and a girl almost 2 years old and pregnant. His name is Dooklet and her name is Little Bear. These dogs are very precious to me and my family, so I want them to go to a family that has kids because they are use to that kind of energy. Never should they be locked up in a cage all day especially Little Bear while she is pregnant because the babies should not be stagnant, other wise she will have pregnancy difficulty. Dooklet is the father so I would prefer they stay together. Serious inquiries ONLY... PLEASE DO NOT TEXT ME IF YOU ARE NOT INTERESTED IN REHOMING BOTH DOGS, IN YOUR OWN HOME, just being clear. Little Bear will have at least 2 or 3 puppies. They are well trained and good listeners if they trust you. Please watch the dogs while outside using the bathroom because big birds, kyotes, and foxes are getting at small defenseless animals. And both Dogs have had their shots, ThankYou for your consideration...

Please do not text ME after 9:00pm or before 12:00pm Thank you
