

I am a photographer looking to book events for the winter and spring. I am available (if not already booked that is) for all types of events, weddings and engagement shoots, fundraisers, portraits, parties, concerts, sporting events, and I even did a babies christening. With the holidays coming up I would love to photograph your families, or your companies party so that everyone can focus on just having a good time.

I am very professional and I have a very strong work ethic. I take instruction very well and will do whatever it takes to get the photos you want. I utilize prosumer to professional equipment, which is always clean and in excellent working order. And no matter the even I always present myself in a clean and professional manner. I also have very reasonable rates for all occasions.

I am based just north of Boston, but I am willing to travel just about anywhere for a job.

If you are interested feel free to email me. Please put the type of event in the subject line and be sure to give me a brief description of what you are looking for. If you wish to contact me by phone, please text with who you are, if you are looking for a photog or a second shooter, and the date of the event.

You can view my portfolio on my Facebook page. [Facebook.com/JamesBlankenPhotography](https://www.facebook.com/JamesBlankenPhotography)
